

Free Trees 2014

As in previous years, Lexton Landcare is coordinating a community free trees scheme with the financial assistance of the Waubra Wind Farm Community Fund Inc.

Members of the Beckworth Bolton, Burrumbeet and Lexton Landcare Groups can access between 120 and 200 trees this year.

All families in the area who are not Landcare members are entitled to up to 40 trees per property, should they wish to undertake a small project as well.

Please fill out the attached slip and return it to the Landcare Group.

Picture: Harrison family collect their 2010 trees.

Please return this slip. Pickup will be at David Clark's property, 425 Glenbrae School Rd, GLENBRAE and is planned for Sat 31st May.
